Beware of So-called Ones-Imitations

Unscrupulous dealers, mindful only of their profit and caring nothing for the health of their patrons, are offering for sale low grade mixtures, which they tell you are "as good as" Duffy's Pure Malt Whiskey.

Some go so far as to try to make you believe it is Duffy's Pure Malt Whiskey. These cheap concoctions are foisted on the people with the intent to deceive.

When a remedy has been before the public for more than half a century, has been prescribed and used by the best doctors and in prominent hospitals, and has carried the plessing of health into so many thousands of homes as Duffy's Pure Malt Whiskey has, imitations are bound to arise. They may imitate the bottle and label only-no one can imitate the contents.
